Year	Make	Model	Body Style

Please note that you are joining a club with other people that share a common interest in old cars as well as general camaraderie. As such there is an expectation when joining our club that you will attend several meetings during the year as well as assist where possible at our annual swap meet or join some of our social events. We understand that this may not suit everyone so please consider this expectation when joining. We welcome any positive ideas and involvement to make the club a better experience for all members.
